

AURA

WITH COOL FLAME 500 WATER VAPOUR FIREPLACE

Net Zero fireplace with Optimyst® Technology

OPTIMYST® TECHNOLOGY

The technology utilizes ultra-fine water mist produced by a silent ultrasonic atomizer. The mist is illuminated by LED lights, creating a convincing illusion of flames and smoke.

INSTANT CHARM

Aura is a freestanding model. Simply place it in your desired location and enjoy the cozy atmosphere. Aura features two glass panels on the sides, while the front remains open, allowing for an unobstructed view of the flames.

EASY REFILLING

Cool Flame features a convenient water dispensing mechanism that works with filtered tap water. The removable water tank can be easily taken out, refilled and put back in place, ensuring simple operation and maintenance.

REMOTE CONTROL & MOBILE APP

The remote control feature is designed for your convenience. With a practical remote or mobile app, you can easily control all the features of your Cool Flame fireplace without having to get up from your couch.

AROMATHERAPY KIT

Enhance the experience with an aromatherapy kit, featuring three elegant oils: Cashmere, Sweet Orient and Sandalwood. Simply light the fireplace, and enjoy the soothing scents wafting through your space.

SOUND OF CRACKLING WOOD

Includes a realistic wood crackling sound effect, enhancing the experience of a traditional fire. Cool Flame comes with a log set, ensuring the authentic fireplace experience and adding an extra touch of traditional charm to your fireplace.
